2025- 26

Healthy Schools

Our Aims

1. To help develop an interest in sport throughout the school.
2. To help organise the playtime equipment and assist in the teaching of yard games throughout the school.
3. To promote water usage in drink bottles to improve physical health.
4. Develop children's rights through assemblies and UNCRC knowledge to achieve the silver award.
5. Embed positive behaviour with Good to be Green, class charters, stars, and certificates.
6. Engage Sport Ambassadors to lead playground games for pupil wellbeing.
7. To have a say in how the curriculum meets our needs.
8. To develop healthy snacks across our school.

Actions for 2024-25

1. To help with the organisation of the groups assisting in the 2 yards. Organising games .
2. Organise the sports and games equipment each week so it is accessible for all the children to play. This will be in a storage box in the yard.(fortnightly)
3. To help purchase equipment when needed.
4. Promote our after-school clubs such as football, netball, well- being club.
5. Develop healthy snack across the school and set up a snack bar for KS2

How will we know?

1. More children will be attending after school clubs
2. More children will be showing an interest in sport or games at breaktime.
3. There will be less disruptions due to poor behaviour as the children will be engaged in an activity.
4. Levels of fitness will improve as well as increased wellbeing throughout the school.
5. A development of rights across the school.
6. Less instances of un- healthy snacks and drinks and an uptake in interest in the snack bar.
