Learning in Progression Step 1

Our early years room is divided into distinct areas. Children will develop their knowledge, understanding and skills by learning through play. We will support our learners to develop their independence and social skills.

First day

This is an important day for you and your child.
Please leave positively and promptly.
It is common for children to be upset and tearful. They should settle within a few minutes. However, please be assured we will get in touch with you if they don't.

Routine of the day

Meet and Greet

Doors open at 8.50am and close at 9.00am promptly. If you are late please report to the office. Children will be greeted by a member of staff on the door. Please be mindful not to block the ramp. Please let our members of staff know during drop off, whether your child is dinners or sandwiches. Also, remind them particularly if there's a change to their usual option.

Settling in

On entry the children will put their bag and coat on their peg, self register, complete an emotional check in and place their water, snack and lunch boxes in the designated places. Initially, they will be supported but gradually we promote independence. The children will the sit on the carpet for songs, news and discussions.

Routine of the day

Snack bar & Milk

Our snack bar is accessible to all children. We request £15 contributions per child, every half term. It is an ideal opportunity for children to develop their social skills, independence, exploring their palette and practising using cutlery. Children are supported to wash and prepare their own produce. Children are provided with a selection of fruit, vegetables, rice cakes and breadsticks during this time.
If you prefer to bring snack from home please ensure it is in a clearly labelled container.

Please note: Due to allergies, we are a nut free school, please refrain from sending nuts to school for snack or lunch.

We encourage children to bring fruit, vegetables, cheese, crackers, rice cakes, breadsticks and healthy cereal bars.

All children will be offered milk during story time. Please ensure your child is provided with a water bottle, which are accessible throughout the school day. Please note, we operate a strict water only policy. Children are only able to consume squash or fruit juice as part of a healthy packed lunch.
