Meet the Teacher

Welcome to Dosbarth Dwynwen

Meet the team

- Class Teacher and Progression Step 1 Lead: Mrs Baylis
- Nursery Leads - Mrs Brugnoli & Mrs Quest
- Teaching Assistants: Mrs Harry, Miss Collins, Ms Roberts and Mrs Mead

Overview of the year ahead…

Autumn	During the Autumn term, our focus will be on settling the children into their new environment by building strong, positive relationships with them and getting to know them as individuals. We will support children in developing a clear understanding of classroom routines, behaviour expectations, and encourage the growth of their independence, problem-solving skills, creativity, resilience, and manage risks effectively. Throughout the term, we will also be assessing children across all areas of development to identify their strengths, areas for improvement, and identifying next steps in their learning journey.
Spring	This term, we will be exploring our Welsh heritage and culture through the celebrations of St. Dwynwen's Day and St. David's Day. As part of our commitment to promoting language and cultural awareness, we will also be celebrating International Language Day, giving children the opportunity to explore a variety of languages from around the world. In addition, we will continue to foster a love of language and literacy by celebrating World Book Day. During this time, children will be encouraged to share their favourite books and take part in a range of engaging activities designed to inspire a lifelong love of reading.
Summer	During the Summer term, children will continue to observe and explore seasonal changes while also preparing for Sports Day. This will provide valuable opportunities to develop their sportsmanship, teamwork, and a positive growth mindset through active participation and practice.

Not all trips and experiences are noted here but more will be announced and added on the class website.

Healthy Snacks in Tonysguboriau

We believe that healthy eating habits are essential for helping children learn and thrive!
These are our permitted snacks -

fruit

vegetables/ salad

cheese

rice cakes/ breadsticks

yoghurt

To reduce the risk of choking, grapes and similarly sized berries MUST be cut into QUARTERS, in line with NHS advice.

We ask that children bring a refillable water bottle (to be filled with water only) to school.

We are a NUT FREE school due to allergies.

Administering and Storing Medications in School

- We require written permission before administering any medication to your child at school. We have spare forms available today if you need to update anything.

- All medication must come in its original packaging, clearly labelled with your child's name, dosage, and when it should be taken.

- Staff cannot give non-prescription medicines, but you are welcome to come in at play or lunchtime to do this yourself if needed.

Keeping up-to-date

- We send out a newsletter fortnightly
- Termly class Newsletter posted on website
- Website will post images and activities that the class have been up to

Thank you for coming

- We have a wonderful year in plan and hope that your children enjoy all their learning experiences this year.

- If there are any issues, please don't hesitate to email.
