Our Aims

- To maintain the ipads and laptops for all classes to use
- To support our class with their IT skills
- To learn new IT skills we can teach to our classes

Actions for 2024-25

- Teach IT skills to other classes
- Videos to show classes how to use different programs – Powerpoint, shortcuts on chrome/laptops, log in, websites, how to be safe online
- Go to help younger classes with their digital learning
- Take part in Digital Leader program with RCT

How will we know?

- Computers will be look after better (Efa)
- Mums and Dads will know hoe to help us (Quinn)
- Classes would have better IT skills (Theo)
