Our Aims

- **To reduce the impact of cyberbullying**
- To maintain the ipads and laptops for all classes to use
- To support our class with their IT skills
- To learn new IT skills we can teach to our classes

Actions for Autumn Term 2025-26

- **Cyberbullying – lead on informing school and create media to support pupils and parents with dealing with cyberbullying**
- Take part in Digital Leader program with RCT
- Undertake coding training with Mr. Hussey
- Support care of devices in school

How will we know?

- **Pupils know what to do if they have problems online**
- **Less cases of cyber bullying**
- **Happier pupils in school**
- **All pupils using social interaction parts of Hwb correctly**
