Spring 2026

# Digital Leaders

## Our Aims

- **To improve internet safety in school and at home**
- **To create a parent workshop to share our use of IT and how to be safe online (Summer Term)**
- To maintain the ipads and laptops for all classes to use
- To support our class with their IT skills

## Actions for Spring Term 2025-26

- **Internet safety day – lead on informing school and create media to support pupils and parents with internet safety day and how to stay safe online**
- **Undertake research – What do we need to share during our parent workshop in the Summer**
- Take part in Digital Leader program with RCT
- Undertake coding training with Mr. Hussey
- Support care of devices in school

## How will we know?

- **Pupils know how to keep themselves safe online**
- **Pupils are using more secure passwords**
- **Pupils log in and out of devices correctly**
- **Pupils feel safer online**
- **Parents feel informed about how we use devices and more confident in supporting at home**
